Frequently Asked Questions

What can I expect my wedding planner to do throughout this process?

Your wedding planner will serve as the point of contact for all vendors included in the All-Inclusive Package, and connect you with each vendor throughout the planning process. Your wedding planner will assist in booking tastings based on the availability of you and the vendor. Using the information received from your personalized questionnaire, floor plans and timelines will be created. Your wedding planner will guide you through the process and logistics of planning, and be onsite for your final walk-through, rehearsal, & wedding day to collaborate with vendors and implement all your wedding day details. All managed in the VenQ app.

What is the contract signing and deposit process?

The contract will come to you via email from VenQ, with an online payment portal. The initial deposit is \$3500 which will reserve each vendor included in your All-Inclusive package for your specific wedding date. VenQ offers payments as often as monthly, or if you prefer a less frequent payment schedule that can be customized.

Who are my vendors on my wedding day?

Your venue team has selected some of the best vendors in our surrounding Colorado area. These vendors have been thoroughly vetted through many wedding seasons. You will be able to access your list of vendors via the VenQ app.

Can I reach out to the chosen All-Inclusive vendors directly?

You will have the chance to meet with your vendors to personalize your selections at a meeting organized by your wedding planner. You will also be able to view their profiles and be linked to their websites and social media via the VenQ app.

How will my DJ know what music I want?

Your wedding planner will coordinate a meeting between you and our DJ. They will reach out to you directly via email and/or video call to coordinate all of your music selections.

Can I use a different vendor for DJ, Floral, Catering, Cake, or Bar Service?

No, the vendors within the All-Inclusive package are under contract to provide you their specialized service. When you book the All-Inclusive Package, you are trusting your venue team to select only the best vendors for your wedding. You are welcome to bring in additional vendors.

What does my floral credit include?

Your floral credit is yours to use to bring your floral vision to life. You can work with your floral team to customize your design, and even add rental décor enhancements. Please note, any taxes, services charges, and staffing will need to be covered within your credit. The client will be responsible for covering the difference if they go over the allotted credit.

Can I change my guest count once I'm under contract?

You can always add guests to your guest count, but you cannot take away guests once you are under contract. We always suggest aiming low for your contracted guest count, you will be able to add guests for a per person fee of \$67 per person once you have received all of your RSVPs. You will give your final guest count at your final walk-through meeting 2-4 weeks prior to the wedding day.
